

Procurement Business Conference in London 2015

The Republic of Korea's Public Procurement Service (PPS) will host the Procurement Business Conference in London 2015.

- Title: Business One on One Meeting/ Conference with major Korean businesses to learn about, and access, the UK procurement market.
- Date: Wednesday 24th June 2015, 10:00-17:00
- Venue: Copthorne Tara Hotel, Liffey Suite, Scarsdale Place, Kensington, London W8 5SR (1 minute from High St. Kensington Tube station)

This event will include a series of business meetings to serve as a catalyst for cooperation between Korean suppliers who have achieved 'qualified excellent suppliers' status in the Korean public procurement market and potential UK business partners.

The event will include detailed demonstrations of unique procurement solutions from the Republic of Korea, in particular in the construction of sports stadia, roads and bridges, schools and hospitals, and transportation signs.

Participants will also have an opportunity to meet PPS officials, the procurement attaché from the Embassy of the Republic of Korea in London, and representatives of Korea's association of excellent suppliers.

If you want to participate or have any questions please contact
